- The Society will carry out a basic mortgage valuation, or equivalent, to confirm the property forms suitable security for the mortgage you have applied for, this report is designed for the benefit of us as a lender only and does not include full details about the condition of the property.
- This report may not include a physical inspection and your client may not receive a copy of the report.
- Before purchasing a property your client may want to consider having a survey of the property's condition. Legal & General surveying Services provides such a service via their SmartSurvey (and other survey options). This transaction, including any changes, will be independent of Teachers for Intermediaries and our parent Teachers Building Society. We do not receive any commission.
