

# Fixed Rate Pension Account

(Fixed Until 18.11.26)

## Summary Box

**ACCOUNT NAME** FIXED RATE PENSION ACCOUNT (ISSUE 21)

A fixed rate account for a SIPP (Self Invested Pension Plan) or a SSAS (Small Self-Administered Scheme)

**WHAT IS THE INTEREST RATE?** GROSS/AER: 5.05%

If your balance falls below the minimum amount the interest rate payable on the remaining balance for that calendar year will be equivalent to the Society's Extra Ordinary Account rate: **GROSS/AER: 0.50%**

**CAN TEACHERS BUILDING SOCIETY CHANGE THE INTEREST RATE?**

The interest rate for this account is fixed until 18 November 2026, meaning that it cannot be changed during the fixed rate period.

**WHAT WOULD THE ESTIMATED BALANCE BE AT THE END OF THE FIXED RATE PERIOD BASED ON A £1,000 DEPOSIT?**

The estimated balance at the end of the fixed rate period based on a £1,000.00 deposit would be £1,166.65. This amount is based on the assumption that all terms and conditions for the account are met. We have worked this out assuming a £1,000.00 deposit is made on the first day the bond is available, interest earned is added to the account and no further deposits or withdrawals are made throughout the fixed term. This projection is provided for illustrative purposes only and does not take into account your individual circumstances.

**HOW DO I OPEN AND MANAGE MY ACCOUNT?**

- For SIPP accounts, your scheme administrator will need to complete and return a pension application form together with the documentation listed overleaf.
- For SSAS accounts, you will need to complete and return a pension application form together with the documentation listed overleaf.

The account can be opened by completing our Pension application form and sending it to us, together with a cheque made payable to 'Teachers Building Society a/c (name of organisation)' for a minimum sum of £1,000.00.

The maximum holding permitted across all accounts is £1.5m exclusive of accrued interest. The account can be added to at any time up to a maximum investment of £250,000.00. If the balance falls below £1,000.00 the Society reserves the right to close the account. Any additional deposits will be accepted by cheque or electronic transfer from the designated pension bank account only.

SIPP deposits will only be accepted by scheme administrators authorised and regulated by the Financial Conduct Authority. Please note: A cooling off period is not available for this type of account.

**CAN I WITHDRAW MY MONEY?**

Withdrawals are not allowed within the fixed rate period and therefore 'Clause 8' of the Deposit Account General Terms and Conditions only applies on maturity.

The Society will write to you prior to maturity with the options that are available. You will, of course, have the opportunity to withdraw or transfer to one of the Society's other savings accounts at that time without charge.
